PLACE	CHURCH	GRID REF	LINK TO FURTHER INFORMATION	Recorder: Tim Hills	YEAR
Eastham	St Mary	SJ36028002	Oldest yews in the Diocese of Chester	TH	1999
Shotwick	St Michael	SJ3367871759	Rev. Joseph Williams (1946) wrote to Vaughan Cornish of 'two fine old yews connected with the graves of two well-known families'. All that is here are three unprepossessing Irish yews.	TH	2015
Thurstaston	St Bartholomew	SJ24728413	Mrs Pollit (1946) wrote to Vaughan Cornish of 'old yews' in the churchyard. As well as two large trimmed yews either side of the lich gate, there are several smaller carefully clipped as well as an unclipped younger yew.	TH	2015
West Kirby	St Bridget	SJ21858642	Two young yews grow on the north side.	TH	2015
West Kirby	St Andrew	SJ212873	No yews	TH	2015
Woodchurch	Holy Cross	SJ2756186826	Four ragged Irish yews lead to the church door. Also several younger yews. There are also two yew hedges, each about 40 metres long. One is several feet thick and has large tunnels cut to allow access from one side to the other of a large graveyard. The other is on the north perimeter and consists of dozens of new young trees planted close to each other.	TH	2015
