

ORSETT

St Giles and All Saints Church, Orsett, Essex TQ64440 81971

Yew 1 grows 10m SE of the church. Girth was 2m 5cm (6' 9") at 50cm.

Yew 2 grows 10m east of the church. Girth was 2m 35cm (7' 8") at 40cm.

Yew 3 grows 50 m north of the church. Girth was 2m 28cm (7' 6") at 40cm.

A grounds worker said that the yew had to be cut back because branches had fallen onto graves. It was possibly ivy that made the crown top heavy.
