

TILLINGHAM

St Nicholas Church, Tillingham, Essex

The yew grows 21' south of the church. Girth was 2m90cm at the ground. I was told that branches were removed because the tree had a rare disease that the tree surgeon had not seen before.

This millennium yew grows 32' east of the church. Girth was 47cm at the ground.

The yew grows 45' east of the church. Girth was 1m 88cm at 40cm.

The yew grows 50' SE of the church. Girth was 1m 33cm at 45cm.
