

# TILTY

St Mary's Church, Tilty, Essex

Yew 1 - 20' south of church - 2m 77cm at ground level

Yew 2 - 54' south of church - 2m 90cm at 40cm above ground level

Yew 3 - 19' south of church - 2m 64cm at 20cm above ground level

The upright nature of the trunks suggest that these might be one of the many *Taxus baccata* cultivars.
