

Upminster

St Lawrence Church, Upminster, Havering - TQ86168884

Entering the churchyard at its SE entrance on the main road, 23 yews form an avenue leading towards the church. The largest girthed of these was 3m 20cm at 20cm above the ground.

20m north of the church is this single yew with a girth of 1m 70cm at 1m above ground.

At the west entrance, 6 yews form a boundary of the cemetery, the largest of these girthed 2m 20cm.

East of the church is an avenue of 16 trees that lead to the main road. The largest had a girth of 2m 25cm at 1m.
