DANBY MOORS NATIONAL PARK CENTRE, Lodge Ln, Whitby September 2020 YO21 2NB Grid Ref: NZ716084 Easting/Northing: 471625, 508405

The Centre is a former hunting lodge.

The car park is adjacent to Crow Wood which has many yew trees. Mostly these are around 2.5m girth. The largest is on the right of the bridge on entry to Crow Wood. Girth was about 4m at about 1m from the ground.
